Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Village of Beulah Wastewater Treatment Facility and Wastewater System Improvements in fiscal year 2025. The entity to receive funding for this project is the Village of Beulah, located at 7228 Commercial St., P.O. Box 326, Beulah, MI 49617. The funding would be used for making necessary repairs and improvements to the Village of Beulah's sewer system to meet the Administrative Consent Order the Village is under with the Michigan Department of Environment, Great Lakes, and Energy. The project is an appropriate use of taxpayer funds because having a well-maintained sewer system is integral to sanitation and disease prevention for the residents of the Village of Beulah.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jack Bergman
Member of Congress
