Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Ironwood Fire Truck Acquisition Project in fiscal year 2024. The entity to receive funding for this project is the City of Ironwood located at 213 S. Marquette St., Ironwood, MI 49938. The funding would be used for the purchase of a new fire truck for Ironwood's public safety department. The project is an appropriate use of taxpayer funds because it is an eligible USDA Rural Development project and will benefit the citizens served by the City of Ironwood Fire Department.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jack Bergman". The signature is written in a cursive style with a long, sweeping underline.
