Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Fife Lake Public Library Expansion Project in fiscal year 2025. The entity to receive funding for this project is the Friends of the Fife Lake Public Library, located at 77 Lakecrest Lane, Fife Lake, MI 49633. The funding would be used to build a 2-story, 7100 ft² structure with a basement that adjoins the existing building. The project is an appropriate use of taxpayer funds because it will allow the library to better meet existing and new community needs, including internet connectivity, youth programs, staffing space, and other important services.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jack Bergman
Member of Congress
