The Honorable Tom Cole
Chairman

H-305, the Capitol

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Upper Peninsula Recovery Housing and Treatment Expansion. The entity to receive funding for this project is the Great Lakes Recovery Centers, located at 100 Malton Road, Negaunee Michigan 49866. The funding would be used to expand recovery housing and residential substance use disorder treatment capacity across Michigan's Upper Peninsula. The project is an appropriate use of taxpayer funds because these investments strengthen the rural behavioral health infrastructure of Michigan's Upper Peninsula and establish one of the region's largest integrated recovery campuses, improving access, outcomes, and long-term cost savings.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Jack Bergman
Member of Congress
