The Honorable Tom Cole
Chairman

H-305, the Capitol

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Charter Township of Grayling Municipal Water Extension. The entity to receive funding for this project is the Charter Township of Grayling, located at P.O. Box 521, Grayling Michigan 49738. The funding would be used for the purpose of extending municipal water to those with PFAS contaminated wells. The project is an appropriate use of taxpayer funds because feasibility studies showed that extending municipal water to affected residents was the only guaranteed clean water source.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Jack Bergman
Member of Congress
