Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Industrial Hangar Restoration project in fiscal year 2024. The entity to receive funding for this project is the Chippewa County Economic Development Corporation located at 5019 West Airport Road Kincheloe, MI 49788. The funding would be used to remodel a former Air Force hangar into a research and development facility for the Chippewa County Economic Development Corporation. The project is an appropriate use of taxpayer funds because Kincheloe is an underserved community, and the economic growth will create numerous jobs and increase the prosperity of the region.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jack Bergman". The signature is stylized with a large, sweeping initial "J" and a long, horizontal flourish at the end.
