The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-305, the Capitol

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Iron River 2027 Water System Improvements Project. The entity to receive funding for this project is the City of Iron River, located at 106 W. Genesee Street, Iron River Michigan 49935. The funding would be used for the purpose of improving the water system improvements throughout the City of Iron River. The project is an appropriate use of taxpayer funds because this funding would allow the City to maintain the health of its citizens and visitors.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Jack Bergman  
Member of Congress
