Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Mackinac Island FY24 Drinking Water Asset Management Plan in fiscal year 2024. The entity to receive funding for this project is the City of Mackinac Island Department of Public Works located at 7358 Market St., Mackinac Island, MI 49757.

The project is an appropriate use of taxpayer funds because it will remove the need for transportation, by boat, truck, and horse, of extremely hazardous Chlorine gas. Improves water service and reliability to areas served by an improperly installed 80 year old main and removes Lead hazards from the community water supply. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jack Bergman". The signature is stylized with a large, sweeping initial "J" and a long, horizontal flourish at the end.
