Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Mackinac Island Sewer Asset Management Plan in fiscal year 2024. The entity to receive funding for this project is the City of Mackinac Island Department of Public Works located at 7358 Market St., Mackinac Island, MI 49757.

The project is an appropriate use of taxpayer funds because it will remove poor, improper, and failed septic systems and the waters of the Great Lakes will receive less pollution. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jack Bergman". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.
