The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Menominee Circle Lane 3 Subdivision Infrastructure Improvements in Fiscal Year 2026. The entity to receive funding for this project is the City of Menominee, located at 2511 10<sup>th</sup> Street, Menominee, MI 49858. The funding would be used for the construction of essential infrastructure – including roads, water mains, sewer lines, and stormwater systems – within Circle Lane 3, a city-owned subdivision. The project is an appropriate use of taxpayer funds because it will help address the growing attainable housing needs and workforce attraction and retention issues plaguing the region.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jack Bergman  
Member of Congress
