Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Skanee Road Improvements (from Jentoft Road to Town Road) in fiscal year 2024. The entity to receive funding for this project is the Baraga County Road Commission located at 18139 Hwy US41, PO BOX 217 L'Anse, MI 49946.

The project is an appropriate use of taxpayer funds because the proposed project outcome will provide an asset that can be maintained in a state of good repair consistent with transportation asset management principles and improvements of this highway to modern standards will be a valuable use of taxpayer funds supporting the economic well-being of Baraga County. The project has a Federal nexus because the funding provided is for purposes of 133 of title 23, United States Code. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jack Bergman". The signature is stylized with a large, sweeping initial "J" and a long, horizontal flourish at the end.
