The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Onaway Clinic Site Renovation Project in Fiscal Year 2027. The entity to receive funding for this project is Thunder Bay Community Health Service, located at 21258 M-68, Onaway, MI 49765. The funding would be used to renovate the Onaway Clinic. The project is an appropriate use of taxpayer funds because it will support the renovation and expansion of pharmacy space at the Thunder Bay Community Health Service clinic in Onaway to address a 60 percent increase in prescription demand following recent pharmacy closures in the region.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Jack Bergman
Member of Congress
