The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Marquette County Medical Care Facility HVAC Upgrade in Fiscal Year 2027. The entity to receive funding for this project is the Marquette County Medical Care Facility, located at 200 Saginaw St, Ishpeming Michigan 49849. The funding would be used to replace the HVAC unit at the Marquette County Medical Care Facility. The project is an appropriate use of taxpayer funds because they require expensive repairs annually and do not allow for control outside the building. Updated equipment will allow the facility to regulate temperature remotely.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Jack Bergman  
Member of Congress
