Dear Members of the U.S. House and Senate,

The Veterans of Foreign Wars, Department of Michigan, is honored to support the naming of the Indian River Community Based Outpatient Clinic (CBOC) after PFC Justin T. Paton. PFC Paton sacrificed his life in service to this great Nation, and we can find no greater honor to recognize PFC Paton than to name the VA Outpatient Clinic being built in the community where he grew up, in his honor.

We will forever hold PFC Paton and his family in our hearts, and we thank Congress for their actions to recognize this young man for making the ultimate sacrifice for all of us.

Respectfully,

A handwritten signature in black ink, which appears to read "John A. Griffith". The signature is written in a cursive style and is positioned above the printed name of the signatory.

John Griffith
